DESCRIPTION:

Finally we added a new woman fit to our shirt lines. The fit is like the description, Relaxed but feminine. The A-shaped pleat in back drapes nicely, and gives the shirt the extra volume you are looking for. Tuck it in or wear it as a modern comfy shirt, it works either way.

The shirt is crafted in our favorite high performance twill texture. This gives the perfect sheen to it, results in a substantial good hand feeling and makes it less transparent than similar white dress shirts. A split yoke in back, medium cut-away collar and a 35 mm. raised placket set the edge for this sharp, but classic shirt. We even added a free matching handkerchief for you, so you can go all the way this time.
